RE: Flags lowered for Memorial Day

A handwritten signature in black ink that reads "Kay Ivey". The signature is written in a cursive, flowing style.

At the request of the President, I am directing flags be flown at half-staff for Memorial Day, Monday, May 27, 2019. As Alabamians and as Americans, we have the sacred duty to honor those who have defended our nation and protected our liberties. Let us never forget the patriots who have laid down their lives in the defense of our great nation.

The flags are to be flown at half-staff until noon Monday, May 27, 2019, at which point all flags should be raised back to full staff, in compliance with the Proclamation issued by the President.
