

Proclamation

By the Governor of Alabama

WHEREAS, Sudden Unexplained Death in Childhood (SUDC) is a category of death in children between the ages of 1 and 18 that remains unexplained after a thorough investigation, including an autopsy; and

WHEREAS, each year, there are approximately 400 cases of SUDC in the United States - including more than 240 younger children under the age of 5 - who die without any clear cause or explanation; and

WHEREAS, while less common than Sudden Infant Death Syndrome (SIDS), which occurs before the first birthday, SUDC is an important health concern deserving of increased public awareness and research; and

WHEREAS, SUDC is the 5th leading cause among children ages 1 to 4, and at the present time, there is no way to prevent SUDC as its cause(s) is unknown. It is hoped that future research will identify means by which SUDC can be prevented; and

WHEREAS, we recognize the dedicated efforts of organizations such as the SUDC Foundation, medical professionals, medicolegal death investigators, and volunteers that are working to better understand the causes of sudden unexplained death, improve the health of infants and children, and provide much needed hope and support for those families grieving the heartbreaking sudden unexplained death of a child; and

WHEREAS, Sudden Unexplained Death in Childhood Awareness Month provides an opportunity to honor the memory of the young lives that ended too soon, show encouragement and support for the families and loved ones forever devastated by their loss, and increase public awareness of SUDC and the ongoing search for answers;

NOW, THEREFORE, I, Kay Ivey, Governor of Alabama, do hereby proclaim March 2020, as

Sudden Unexplained Death In Childhood Awareness Month

in the state of Alabama.

*Given Under My Hand and the Great Seal of the
Office of the Governor at the State Capitol in the City
of Montgomery on the 28th day of January 2020.*

Kay Ivey

Kay Ivey, Governor
