RE: Flags lowered for Peace Officers Memorial Day

At the request of President Trump, I am directing flags be flown at half-staff on Friday, May 15, 2020 for Peace Officers Memorial Day. In Alabama, we are proud to show our support for the brave men and women who protect our communities, state and nation each day. We are especially mindful of those officers who have made the ultimate sacrifice and those that have suffered injuries in the line of duty, while ensuring the safety of our families and communities. We appreciate our tremendous law enforcement community for their service.

The flags are to be lowered to half-staff at sunrise until sunset on Friday, May 15, 2020, at which point all flags should be raised back to full staff, in compliance with the proclamation issued by the president.
