Re: Federal Coronavirus Relief Fund

The federal Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) includes funds that will be distributed entities to use to pay costs incurred in responding to the COVID- 19 outbreak. This memo describes how your entity can access funds for that purpose.

### ***Background***

The CARES Act authorized \$150 Billion through the Coronavirus Relief Fund for state and local governments, including approximately \$1.8 Billion for Alabama. Aside from Jefferson County, funds have been sent in the first instance to the state, with the expectation that the state will use funds for its own expenses and those of entities throughout the state.

The Finance Department has established a separate fund in the state treasury to hold the federal funds and is authorized to spend from those funds within the parameters of the CARES Act and other federal and state law.

### ***Eligible Uses***

Under federal law, eligible uses must meet three conditions. They must be:

1. Necessary expenditures incurred due to the public health emergency with respect to COVID–19.
2. Not budgeted as of March 27, 2020 when the CARES Act was enacted.
3. Incurred on or after March 1, 2020, up to December 30, 2020.

The purpose of the Coronavirus Relief Fund appropriation is for the funds to be used to prevent, prepare for, and respond to coronavirus only. No other purpose is authorized. Funds may not be utilized to replace or supplant any other funding nor to fill revenue shortfall gaps.

Note that these eligible uses are as currently described in federal law and relevant guidance from the US Treasury. If these uses are modified by future federal actions, the Finance Department will revisit the process and procedures described in this guidance.

For further context on costs that the state anticipates entities may incur, see the attached list of potential uses (Attachment C). If your entity contemplates the use of funds outside these parameters, please contact the Coronavirus Relief Fund Office at [highered@finance.alabama.gov](mailto:highered@finance.alabama.gov).

### ***Intersection with Other Funding Sources***

Eligible uses of the federal Coronavirus Relief Fund (CRF) may overlap with allowable uses of other federal grants and reimbursements. It is imperative that these reimbursements are not in addition to any other federal funding for the same expenditure.

### ***Available Funds***

Entities may request reimbursement for funds that have been paid in support of the Coronavirus Pandemic. This request will be made in accordance with the instructions provided with this memo. Each entity will be provided a budget, based on Attachment D, that will be used to request reimbursement from. We encourage each entity to keep track of their balance. If at any time the entity needs to verify their available balance they may email [highered@finance.alabama.gov](mailto:highered@finance.alabama.gov).

### ***Forms Required to Request Funds***

Entities must complete Attachment A - *CRF Acknowledgement and Certification* before applying for any reimbursement requests. This document will be on file with the Comptroller's Office so that it will not have to be attached with each subsequent reimbursement request. Entities must complete Attachment B - *CRF Request for Reimbursement Form* to request the actual reimbursements and include copies of detailed receipts for all reimbursement requests. If you have questions or concerns, please contact [highered@finance.alabama.gov](mailto:highered@finance.alabama.gov).

### ***Audit Provisions and Documentation***

Federal Coronavirus Relief Fund expenditures are subject to audit by an Inspector General within the U.S. Department of the Treasury. Documenting that expenditures are eligible uses of CRF funds is essential to managing compliance risk and to minimizing the possibility that the expenditures are deemed ineligible, which could require the local government and the state to return funds to the federal government.

Thank you for your cooperation as we work together to protect the interests of all our residents.
