

Proclamation

By the Governor of Alabama

WHEREAS, Duchenne muscular dystrophy (Duchenne) is the most common fatal genetic disorder diagnosed in childhood, affecting approximately one in every 5,000 live male births each year; and

WHEREAS, the Duchenne gene is found on the X-chromosome, it primarily affects boys however, it occurs across all races and cultures; and

WHEREAS, Duchenne results in progressive loss of strength and is caused by a mutation in the gene that encodes for dystrophin; and

WHEREAS, the progressive muscle weakness leads to serious medical problems, particularly issues relating to the heart and lungs; and

WHEREAS, Duchenne can be passed from parent to child, but approximately 35 of cases occur because of a random spontaneous mutation; and

WHEREAS, Although there are medical treatments that may help slow its progression, there is currently no cure for Duchenne; and

WHEREAS, because it is a rare disease, one of our greatest tools in the fight to end Duchenne is raising awareness; and

WHEREAS, on September 7, 2020 the sixth World Duchenne Awareness Day will take place;

NOW, THEREFORE, I, Kay Ivey, Governor of Alabama, do hereby proclaim September 7, 2020, as

World Duchenne Awareness Day

in the state of Alabama.

Given Under My Hand and the Great Seal of the Office of the Governor at the State Capitol in the City of Montgomery on the 3rd day of September 2020.

Kay Ivey

Kay Ivey, Governor
