RE: Flags Lowered to Honor the Passing of Florida Congressman Alcee Hastings

Pursuant to federal law, the flags are automatically lowered to half-staff for a sitting member of Congress. Since they are already lowered, this action will extend the length in which they are lowered. I am directing flags to remain lowered at half-staff until midnight tomorrow, as a mark of respect for the passing of Florida Congressman Alcee Hastings.

The flags should remain lowered at half-staff until midnight on Wednesday, April 7, 2021.
