RE: Flags Lowered to Honor Former Vice President Walter Frederick "Fritz" Mondale

Pursuant to federal law, I am directing flags be flown at half-staff as a mark of respect for former Vice President Walter Frederick "Fritz" Mondale, who passed away on Monday, April 19, 2021. Since flags are already lowered, this action will extend the length in which they are lowered until sunset on the day of his interment.

Vice President Mondale served the United States of America in this capacity from 1977 to 1981, under President Jimmy Carter.
