

Proclamation

By the Governor of Alabama

WHEREAS, clean and readily abundant forms of energy are powering more homes and businesses than ever before and are part of America's future; and

WHEREAS, clean energy includes power generation from renewable sources such as wind, solar, hydro and geothermal sources. It also includes nuclear, natural gas and carbon capture technologies, as well as energy storage; and

WHEREAS, the clean energy sector has created over 39,000 jobs in Alabama; and

WHEREAS, Alabama is the second-largest hydroelectric power producer east of the Rocky Mountains and the fourth-largest generator of electricity from nuclear power; and

WHEREAS, National Clean Energy Week encourages increased organization and individual support of solutions that address America's economic and energy needs, and it invites municipalities and individuals to implement the cleanest, lowest-emitting energy technologies available;

NOW, THEREFORE, I, Kay Ivey, Governor of Alabama, do hereby proclaim September 26 through 30, 2022, as

National Clean Energy Week

in the state of Alabama.

Given Under My Hand and the Great Seal of the Office of the Governor at the State Capitol in the City of Montgomery on the 10th day of August 2022.

Kay Ivey

Kay Ivey, Governor
