RE: Flags Lowered in Honor of Her Majesty Queen Elizabeth II

In accordance with the presidential proclamation, I am directing flags be flown at half-staff in remembrance of Her Majesty Queen Elizabeth II.

Queen Elizabeth was a grand lady and ruled with dignity and grace. She will always be remembered with great fondness. No doubt, she was a truly inspiring individual. My prayers are with her family and country.

The flags are to remain lowered until sunset on the day of her interment, at which point all flags should be raised back to full staff.
