RE: Flags Lowered Honoring Life Saver 4 Crew

A handwritten signature in black ink that reads "Kay Ivey".

I am directing flags to be lowered to half-staff from Monday, April 10 to Wednesday, April, 12, 2023 to honor Life Saver 4 crew members Marc Gann and Adam Russell, who tragically lost their lives while working to save another.

On behalf of the state of Alabama, I express my deepest sympathies to Marc and Adam's families, friends and fellow first responder professionals. These remarkable men made the ultimate sacrifice to save their patient and will be remembered as heroes. I ask that the people of Alabama join me in praying for Marc, Adam, their fellow Life Saver 4 crew member and fellow first responders.

The flags are to be flown at half-staff beginning Monday, April 10 at sunrise and should be raised back to full-staff on Wednesday, April, 12, 2023 at sunset.
